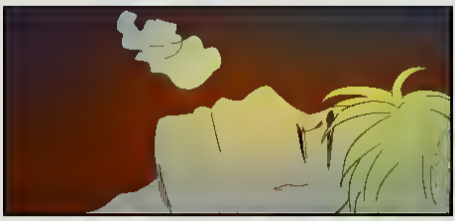
Did you really climb up here 3 years ago? Wow!
I told you
It was... hard!

Onii-san
What have you been up to recently?

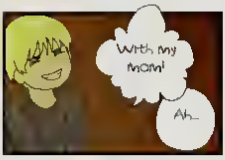
But
This feels kind of good!



Alright

A trip

Alone?



With my mom!
Ah...

Ha
If it wasn't that woman, that's good
We haven't been able to go so

This time was
the last chance

It's going zuki zuki again
zuki zuki?
Ah!
The zuki zuki n your throat when your heart hurts?
You're like an elementary school kid
But

It seems like your throat
can hear the voice of your heart

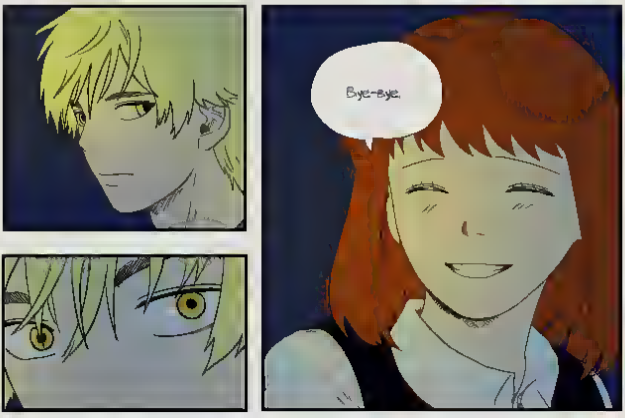
?
?
?
Alright should we go back soon?

Eh?
Its already this time right?

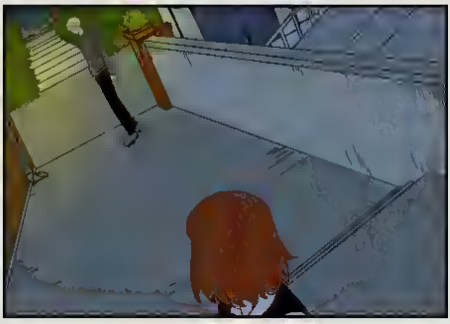
What's wrong? You wanna be with me longer?
Th-Th-Th-That's not it!
You're really self-conscious!
Let's make a dash home!
Yes yes

Then Goodnight
Yup Gnight

Onii-san.!



Bye-bye.

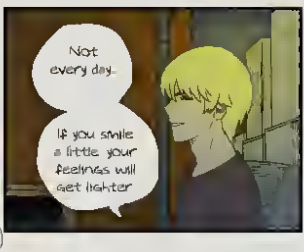


You
smiled for the first time
Really?
This whole time you've been looking troubled

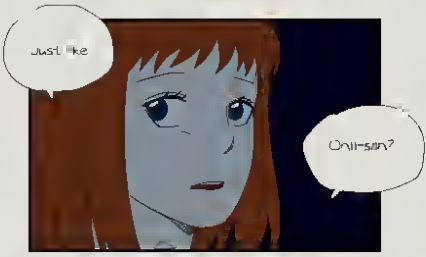
Oh...
was it like that

If you smile
Your smiling face is much more cuter!

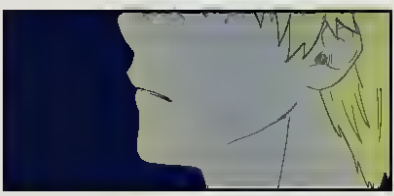
Th-then!
Are you telling me to constantly smile like an idiot!?
But you're not "like an idiot"?
WHAT!?
Haha



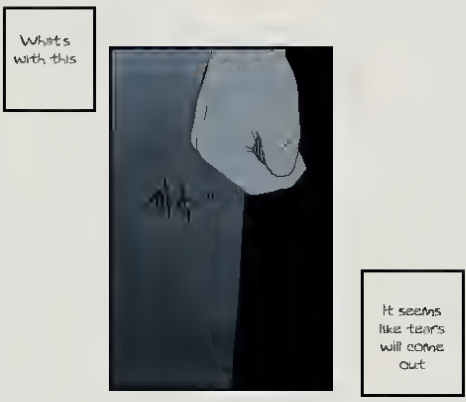
Not every day..
If you smile a little your feelings will get lighter



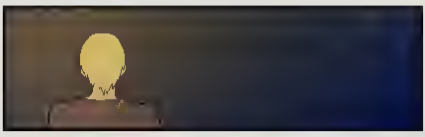
Just like
Onii-san?

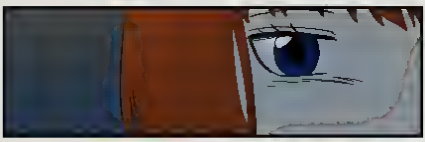


It's already late
Hurry up and go in
Later!



What's with this
It seems like tears will come out





I closed
my eyes
tightly
shut
